Go to the Learning Source classroom: https://fs.elevate.commpartners.com/

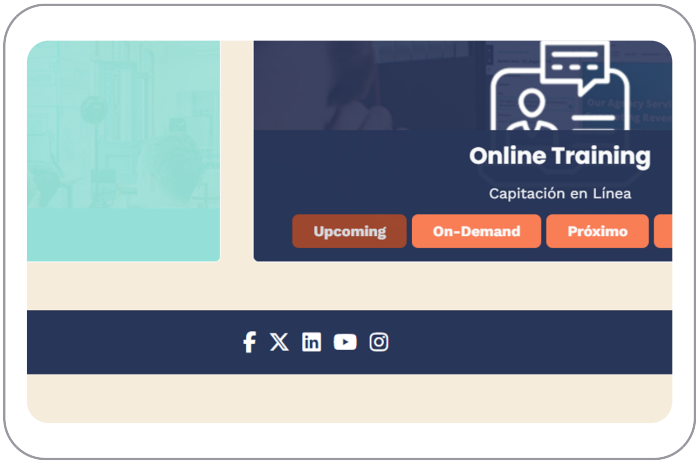

1. Click on Log In, then enter your user name and password to log in.

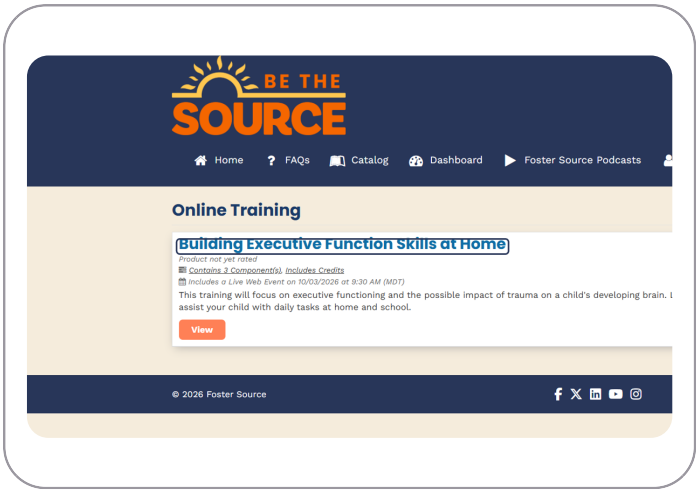

2. Click on Log In

3. On the homepage, click on "Upcoming" on the Online Training square.

4 Click on the class you are entering.

5 A. Click on the contents tab. There you will see the webinar. B. One of the three boxes on the right will say "Enter" or "join" or even "Open meeting as Presenter". Click on whatever the button says. No worries - you will not open the meeting as a presenter even if you click on that. You will just enter the class.
